August 2014

Version 2014.15 of Palmer Public Schools is ready to launch! Please join me in welcoming these people to the Palmer staff this year: Luke Thompson, 7-12 Social Science; Brenda Thompson, 4th Grade; Kayla Dobson, Kindergarten; Darcie Samuelson, Preschool; Natalie Bohlken, 7-12 Special Education; and Tonya Turek, 6-9 Math & Science. Also, Jeanne Happ is moving to the library and Cheri Boltz will be the new office secretary.

In addition to the usual summer maintenance and cleaning, several other building improvement projects are getting done this summer. The northwest section of the building will have air conditioning, which includes the art, FCS, and science classrooms, as well as the Chochon Room. This makes all the classrooms air conditioned, leaving only the gym without A/C. Classroom lighting has been upgraded with brighter, more efficient fixtures. The Ag classroom has new windows, and the shop has a new exhaust vent installed. The library has new carpet. Last but not least, a drinking fountain has been added in the Chochon Room. The district has very nice facilities and the projects this summer have made them even better!

While on the topic of facilities, I want to let you know about a "good" problem we have. We are experiencing a lack of classroom space. This is a good problem because it is due to growing student enrollment. We have a large kindergarten class that needs to be split into two sections, creating another elementary classroom. The addition of preschool a few years ago required another elementary classroom. In the high school, we added a math and science teacher to help alleviate the class load in grades 7-12, which requires another classroom. So, due to student growth, we will have to share some classrooms this year and make do with the space we have. The elementary special education and Title 1 teachers will share a room upstairs. The secondary special education teacher will be sharing a classroom with the distance learning classes in the art and FCS rooms. The new middle grades math and science classroom will be located in the former special education classroom and sharing the lab in the science room as necessary.

Over the next several months, we will be discussing facility needs and possible solutions with the public. This is an exciting time for Palmer Public Schools and I look forward to working with you to make a bright future!

Plan to attend Palmer Pride Night this year on Tuesday, August 12 from 6:00-8:00 pm.

Like Palmer Public Schools on Facebook and follow @palmertigers on Twitter to keep up with all the latest news from the school.

Sincerely,

Dr. Bohlken

January is the official start of the year. However, the school year begins in August and with that new start many goals are set, benchmarks are laid out and anticipation is high! Unlike many news year resolutions we will carry those goals out throughout the entirety of the school year. Of course the benchmarks will help support us in tracking how we are doing. I encourage all of you to set some goals with your child as the school year kicks off as well. It doesn't have to be anything major, after all it needs to be attainable, but simply setting the goal with your child and being mindful of that goal is helpful. For example, it may be as simple as making sure you keep a consistent bedtime or bedtime routine that can both be beneficial to children.

We will be having Palmer Pride night again this year on **August 12th from 6:00-8:00 p.m.** The night will be filled with many fun filled activities that may leave you soaked and needing your towel! Along with fun there will also be food and the yearly paperwork.

School will be kicking off this year on **August 14th**. This year will be similar to last with the west doors open at 7:20 with breakfast starting at 7:30. We ask that students arriving early report to the west doors. Students arriving at 7:50 can use the front office doors.

Summer always seems to go by fast and is always jam packed with activities. I hope throughout the summer break everyone was able to get refreshed for the upcoming school year. I look forward to seeing all of our families on the 12th and am excited to kick off the school year on the 14th! Please mark these two dates on your calendar and don't forget to set those goals with your child as we roll into the 2014-15 school year.

ANNUAL NOTIFICATION OF ASBESTOS MANAGEMENT PLAN AVAILABILITY

Federal regulation requires all schools to inventory asbestos containing materials and develop Management Plans to identify and control asbestos containing materials in their building. The District's Facilities were re-inspected and the

Asbestos Management Plan was updated on January 23, 2014. The report is available for inspection (without cost) to the general public and employees. Independent copies will be made available upon request within five working days by contacting custodian: Vicki Fellers, Palmer Public School, Asbestos Coordinator, phone 308-894-3065. (The school may charge for photocopies of the plan.)

BIRTH CERTIFICATES

All students enrolled for the first time in Palmer Public School must submit, within 30 days of enrollment, one of the following:

1. A certified copy with the raised seal of the student's birth certificate.
2. Another reliable documentation of the student's identity and age accompanied by an affidavit explaining the inability to produce a copy of the birth certificate.

NEBRASKA CHILDFIND

The Palmer School district is looking for unidentified children with special needs as it participates in "Nebraska Childfind". This is an ongoing statewide search for all unserved handicapped children, age's birth through 21.

Children who would benefit from special education services may not be receiving them because parents may not know of available programs or because they do not recognize the handicapping condition(s) of their children.

Special programs are available through public school for handicapped children whose impairments pose restrictions on learning. These impairments include: speech/language disorders; hearing/visual impairments; specific learning disabilities; retardation; behavioral disorders; physical handicaps and severe or multiple handicaps. Nebraska law guarantees a free appropriate public education to all children.

Parents who feel their children should be receiving special education services are asked to contact the Palmer School District. Nebraska Childfind provides information also through their toll free number, 800-742-759

NOTICE

Any person having inquiries concerning School District #49's compliance with title IX and Section 504 and Title VI is directed to contact Superintendent Dr. Joe Bohlken, Palmer Public School, PO Box 248, Palmer, NE 68864, phone 308-894-3065. PALMER PUBLIC SCHOOL WEBSITE

The Palmer Public School Website provides all parents and student with the up to date calendar of all events and school menu. Please go to www.palmertigers.org, click on calendar, click on month at a glance, and you will be able to view everything that is going on during that month including the school menu. If you pick a certain event, such as a football game, click on that event and it will give you all the detail. Please contact Palmer Public School, Jackie Brownlee, if you need any further assistance with the website. 308-894-3065 or jbrownlee@esu7.org.

PHONE CALLS

Students at Palmer Public School are expected to be respectful, responsible and resourceful. However, on occasion students will forget things such as band instruments, laptops, permission slips, etc. Use of the office phone will be allowed for such calls but repeated occurrences will result in administrative intervention to discourage further occurrence. Students are allowed to carry and use cell phones but time/place limitations exist; refer to handbook. When students are sick they will go to the office and school personnel will call their parents; students should not use cell phones in such instances, as there is a need for the office to be aware of illness or other medical conditions. Calls concerning doctor's appointments, work, etc., should be done before school, after school or during lunch. Administrative discretion will be used to allow students the use of the phone during the school day. Teachers will not allow students to use a school phone unless directed by the administration to do so.

STUDENT ACCIDENT INSURANCE

Palmer Public School does not provide any type of health or accident insurance for injuries incurred by your child at school.

We encourage all families to have accident coverage on their children, prior to participation in any sports or school sponsored activity. Families may purchase Student Accident Insurance to supplement their own primary health insurance. Students out for football or volleyball will receive Student Accident application forms on the first day of practice. All other Students will receive them the first day of school.

Football coverage, grades 9-12 is \$250.00. The athletic department will pay half the premium \$125 as they have in the past.

TITLE I

Title I is a federally funded program that targets student achievement. During the 2014-2015 school year Palmer Public School will participate in a school wide Title I program. This means that any student who is showing academic need throughout the year qualifies for extra help. In previous years certain students were targeted based on their skills from the preceding grade. Students will no longer be targeted at the beginning of the year. Instead, when they reach a topic that proves tough for them they will receive support through Title I. Support through Title I can include:

Co-teaching: having two teachers in the classroom.

Class size reduction through breaking a lesson into two groups

Pull out skill pre-teaching or re-teaching

Extra assistance on worksheets

We feel that with this extra help and your support at home you child will perform to the best of his/her ability.

VISITING SCHOOL

Parents and Grandparents are invited to visit school at any time. A door-lock and security system has been installed for the safety of our students. For entrance during school hours, please push the button to the immediate left of front (south) entrance. This button will activate one-way video and two-way audio communication with front office personnel. All visitors will be required to wear a visitor's badge. If you do not have a badge on, staff will stop and ask you to report to the front office. This is for the protection of students and staff. You are welcome to eat lunch with your child/children. Adult meal prices are as follows:

Adult Lunch: \$3.50

PHYSICAL EXAMINATION REQUIRED FOR KINDERGARTNERS, SEVENTH & ATHLETICS

Nebraska State Law requires evidence of a visual evaluation by a physician, a physician assistant, an advanced practice registered nurse or an optometrist, within six months prior to the entrance of the child into the beginner grade or, in the case of a transfer from out of state, to any other grade, must be furnished to the school unless the parent or legal guardian submits a written statement objecting to a visual evaluation. The visual evaluation is to consist of testing for amblyopia, strabismus, and internal and external eye health, with testing sufficient to determine visual acuity.

A physical examination by a doctor or a licensed physician's assistant is required for all students at "grade of entrance", upon entrance to seventh grade and students new to school in Nebraska. Statute does not define "grade of entrance" and this may mean either kindergarten or preschool. Law requires that this physical must be completed before a student may enroll in school. Parents may sign a waiver to exempt students from this physical required for admission to school.

Low income families who qualify should contact Kids Connection at 800-632-5437 to receive information regarding fee or reduced-cost visual and physical evaluations.

Any student planning to compete in athletics in grades 7-12 is required to have a physical exam before the student can practice with the team. The physical for athletics cannot be waived. One physical will meet the requirements for both admission and athletic competitions. Forms are available at the Palmer Public School office for examinations.

1. The school will not provide non-prescription medication for students.
2. Any prescription of non-prescription (over-the-counter) medication sent to school by a parent/guardian should be sent in the original container, along with a note signed by the parent/guardian with complete instructions as to dosage, time, etc.
3. An authorization form must be completed and placed on file in the Administration office for those students who require a routine (daily), long-term (more than fourteen days) medication (i.e. insulin, Ritalin, inhalers, etc.) during school hours. Designated school personnel will receive in service from the county nurse prior to providing such assistance. The in service will include:
 - a. Method of administration
 - b. Possible signs and symptoms of adverse side effects, omissions, or overdose.
 - c. Proper handling and storage.
 - d. Record keeping.
 - e. Emergency procedure.

NOTE: The Palmer Rescue Squad wanted the community to be aware of the locations of several heart defibullators located in Palmer. They are at the Palmer School, baseball concession stand, DXI, the Palmer fire barn, Trotters and Palmer Service Center. These defibullators are very user friendly and could save someone's life in the case of a cardiac arrest.

PALMER BOOSTER CLUB

Meeting Date: Monday, August 18, 2014 at 7:30pm.

MISSION STATEMENT:

The Palmer Booster Club is an action-orientated group of parents and administrators working together to enhance and expand the Academic, Social and Athletic Programs that are available to each individual student.

HOW DO I BECOME A MEMBER?

Every parent that has a Junior/Senior High school student involved in any extracurricular activity is automatically a member of the Palmer High School Booster Club. The Booster Club benefits such activities or groups as: FFA, Cheerleading, Dance, Band, Science Club, Math Club, Drama, Student Council, Basketball, Speech, Volleyball, Football, Wrestling, Track, Journalism, Palmer Films, Chorus, Cross Country, Yearbook, and Book Club.

WHAT ARE THE REQUIREMENTS OF BEING A MEMBER?

Each parent is asked to work in the concession stand one 2-hour shift during the Fall Sports season and once during the Winter Sports season as well as volunteer for any other Booster club activities.

WHEN ARE THE MEETINGS AND WHO SHOULD ATTEND?

Meetings are held in August, November, February and late March/early April for Allocations. ALL PARENTS are welcome and encouraged to attend these meetings and share your opinions.

WHY SHOULD I PARTICIPATE?

By working together with all other Parents, we are showing the students of Palmer Junior/Senior High school that we care about their education, as well as their social and athletic activities. The money raised by the Booster Club helps support and sustain the above mentioned activities. By joining and being a volunteer you are reinforcing the volunteer and participation spirit that is essential to your student's success - now and later in life.

HOW DOES THE BOOSTER CLUB RAISE FUNDS?

The Booster Club has an annual fundraiser during the Palmer Pride night in August and provides a meal for each person in attendance, which is reimbursed by the School. The concession stand, which is run during all home Sporting events and the Booster Club Store (selling apparel and spirit items) are other means of income. ALL INCOME is then given back to the many activities.

WHERE DOES THE MONEY RAISED GO?

The Booster Club in the past has purchased a new scoreboard/sign at the football/baseball field/ mirrors for the weight room, jackets and registration fees for FFA, digital camcorder, risers for chorus, track tent, football helmets, wrestling/track medals and plaques, folding table and easel for Speech, medicine balls for the weight room, uniforms, drama costumes, medical kits, payment for officials, ice machine, pole vault supplies, wall system for Prom dance, Cheerleaders Homecoming expenses, Drums for band, Stage curtains, DJ expenses for dances and much more!

Don't wait for someone else to volunteer, step up and show the students in Palmer that the parents care about all aspects of their education. If we all continue to work together and commit to helping out, then the extra-curricular activities will continue and thrive!!

Please contact Niki Bader, President, to volunteer your time at 308-380-7259 or email

niki@hamilton.net

Palmer Public School Pictures will be Wed. September 10th. If you were absent or had your eyes closed we will be doing retakes Thurs., September 12th. This is the **ONLY** way retakes will be done. Please let your child know to be ready for pictures on picture day and smile appropriately. Your child will have their picture taken and then we will provide you an order form with a picture proof to order from. You will have one week to get the order form & money back to your child's teacher. If you choose not to order that is fine, you will still need to bring the form back with an "X" through the picture. That way we know you didn't just forget but, you DO NOT want to order. I have a sample of what the order form will look like. The bottom you return & the top you keep. Thanks for your past orders & the joy of photographing your children. Missy Hillmer Photography
