The discussion centered around district health measures in relation to Covid and the seating capacity requirements. The current seating capacity requirements were at 75% for indoor activities. The tournament was scheduled to be played at St. Edward. After much discussion a motion was made by Spalding Academy seconded by Fullerton to make the following changes and the motion passed 9-0:

- St. Edward and Central Valley will trade places on the hosting schedule for volleyball with Central Valley hosting the tournament this school year. (Hosting Schedule Changed 10-1-20.)

The Committee discussed particular issues in running this tournament and agree upon the following:

- The NSAA District Guidelines issued to the Superintendents on 9-29-20 will be used.
- If a team has to forfeit because of Covid, the other team will move forward in the bracket.
- Fans will not be allowed in the door without a mask.
- Each school's administration will be responsible for encouraging their fans to wear masks while at the tournament.
- There will be no doubling up of locker rooms.
- Any other considerations will be discussed at the Athletic Director's meeting on October 6, 2020.
